Nightly Claim Rules for Claimer Cars (January 25, 2017 rev-2)

- Claims will open at 6pm on race night. Claiming paperwork and payment must be submitted to the designated official handling Claims that night.
- There must be a minimum of 10 Cars for Claims to take place.
- All envelopes must be unsealed and include \$300 in cash only. (sealed envelopes will not be accepted)
- Claim paperwork must clearly include: 1) a list of car numbers you wish to claim 2)Your full name 3)your registered car# if applicable. New participants shall register an available # with the designated official. (time will be recorded when handed in)
- Whoever's name is on the envelope must be present to make claims.
- At the end of every main event all cars must park in designated area. (Gravel area in center of infield)
- Time of Claims will be determine at Driver's meeting.
- Claims will be performed starting with the earliest submitted envelope. The driver of the first car to be claimed can claim another car or walk with the \$300 claim. (There must be a minimum of 4 cars claimed per night). Cars can only be involved in 1 claim per event. Next, the 2nd earliest envelope will claim and the process will continue until finished.
- The claimed car is complete 'as is' including 2 spare tires (with proper bolt pattern for car, no space savers) after the main event minus the belts, & window net. All cars must have an operational Battery. Battery swaps are allowed. If you don't want your good battery getting claimed, be sure to bring a good spare to send with your car when it gets claimed.
- If your car has a racing seat, you must have the stock seat for the car with you at the track to put back in if it gets claimed.
- All claims will be recorded each race.
- You may NOT claim your own car back for the next 2 races. All claimed cars must be raced in the following 2 races or consequences may be handed out.
